

Intellectuals Society for Socio-Techno Welfare

Vision

To built a globally accepted intellectual potential among the youth, academicians and researchers by growing of knowledge, values and ethics, so that they create a successful career and contribute for the society.

Mission

To be one of leading organization whose Training Programs and Publications are accepted globally.

Aim and Objectives

The organization aims at undertaking, aiding, co-coordinating and promoting Research and Development. It provides academic and professional guidance, advice and consultancy in the field of Basic Education, Higher Education as well as in the Technical Education Research. Apart from this, ISST collaborates with other National & International institutions, organizations and associations for more efficient functioning and fulfillment of its aims. To achieve the objectives we take-up the following activities and methodologies:

- To promote research and documentation in multifarious subjects of Science, Engineering Technology and Management.
- To organize Lectures, Seminars, Conferences, Workshops, Training Programs and Audio-visual programs for the students, academicians and working professionals.
- To publish quality Journals, Books for the disseminating of knowledge regarding these subjects.
- To bestow honorary memberships, prizes and awards to recognize people who have made exceptionally notable and distinguished contributions in their respective fields.

ISST Journal of Applied Chemistry (IJAC) ISSN : 0976-7355

ISST Journal of Applied Chemistry (IJAC) is a bi-annual peer reviewed journal of *Intellectuals Society for Socio-Techno Welfare (ISST)*, publishes research papers for Chemical science in all fields of chemical science. Papers that are multi disciplinary and address new or emerging areas of chemistry, if emphasizing original research and epidemiological studies are particularly encouraged. In addition to original research articles, concise and current review and mini-review articles are also welcome, as personal opinion papers and comments. Thus, the journal has dynamic scope. The goal of the journal is to advance the scientific understanding of mechanisms of various concepts of chemistry. Emphasis will be placed on synthesis, structure, mechanism and theory of new or existing chemicals.

ISST Journal of Applied Physics (IJAP) ISSN : 0976-903X

ISST Journal of Applied Physics (IJAP) is a bi-annual peer reviewed journal of *Intellectuals Society for Socio-Techno Welfare (ISST)*, that serves scientists and engineers working in the fields of theoretical, analytical and experimental physics. The scope of Applied Physics has become an identifiable unified discipline of scientific endeavor. The articles published in IJAP span the whole spectrum of applied physics research.

ISST Journal of Mathematics & Computing System (IJMCS) ISSN : 0976-9048

ISST Journal of Mathematics & Computing System (IJMCS) is a bi-annual peer reviewed journal of *Intellectuals Society for Socio-Techno Welfare (ISST)*, which aims to publish high quality original research papers of applied (practical) problems of mathematics, operations research, engineering and statistics without compromising mathematical precision. Articles that address both the theoretical aspects and the application aspects (including computational) are particularly encouraged. In addition, articles dealing with applied mathematical sciences that have a practical implication will also be accepted (for example computational techniques in operations research or statistics).

ISST Journal of Electrical & Electronics Engineering (IJEEE) ISSN : 0976-7363

ISST Journal of Electrical & Electronics Engineering (IJEEE) is a bi-annual peer reviewed journal of *Intellectuals Society for Socio-Techno Welfare (ISST)*, which aims to publish high quality original research papers of electrical & electronics and interdisciplinary topics of engineering. The paper should encompass conceptual and allied applications of electrical & electronics engineering theories. Papers that are multi disciplinary or address new or emerging areas of engineering are particularly encouraged. The goal of the journal is to advance the scientific understanding of engineering principles and their applications.

ISST Journal of Mechanical Engineering (IJME) ISSN : 0976-7371

ISST Journal of Mechanical Engineering (IJME) is a bi-annual peer reviewed journal of *Intellectuals Society for Socio-Techno Welfare (ISST)*, which aims to publish high quality original research papers of mechanical and interdisciplinary topics of engineering. The paper should encompass conceptual and allied applications of mechanical engineering theories. Papers that are multi disciplinary or address new or emerging areas of engineering are particularly encouraged. The goal of the journal is to advance the scientific understanding of engineering principles and their applications.

ISST Journal of Advances in Librarianship (IJALIB) ISSN : 0976-9021

ISST Journal of Advances in Librarianship (IJALIB) is a bi-annual peer reviewed journal of *Intellectuals Society for Socio-Techno Welfare (ISST)*, launched with aims to facilitating information exchange among librarians and information professionals worldwide. It focuses on both practical and theoretical aspects of librarianship. It publishes research findings, theoretical explorations and case studies by library school faculty, librarians, information scientists and research scholars of Indian heritage and other nationalities. It also reports all major development of the librarianship around the world.

Call for Papers

Submission of Manuscript: Academicians and Research Scholars are welcome to contribute their work for Publication in coming Issue of concern Journal of ISST.

- Original Research Paper may submit at info@isst.org.in with Name, Designation, Department, Organization, Full Postal Address, Contact No. and E-mail ID of Principal Author with an ID Proof.
- Authors should use Times New Roman with Font Size 12 in MS Word Format with Double Space.
- All Papers will go through a Review Process.
- Acceptance of Paper is subject to Reviewer's Comment and Recommendation of Editorial Board.

Sample Template: Click on the Link <http://isst.org.in/index.php?author> for Authors Guidelines for Preparation of Manuscript.

Important Dates :

Submission of Manuscript: 15 May for January-June & **15 November** for July-December Issue.

Publication Due: 30 June for January-June and **30 December** for July-December Issue.
