*ISST Journal of Applied Chemistry (IJAC)* is a bi-annual peer reviewed journal of Intellectuals Society for Socio-Techno Welfare (ISST), for chemical science publishes research papers from all fields of chemical science. Papers that are multidisciplinary or address new or emerging areas of chemistry emphasizing original research and epidemiological studies are particularly encouraged. In addition to original research articles, concise and current review and mini-review articles are also welcome, as are personal opinion papers and commentaries. Thus, the journal has dynamic scope. The goal of the journal is to advance the scientific understanding of mechanisms of various concepts of chemistry. Emphasis will be placed on synthesis, structure, mechanism and theory of new or existing chemicals.
